Letter from the Board

Dear Neighbors,

In line with our ongoing efforts, we recently explored options for an online payment system. However, we encountered some challenges as Venmo, PayPal, Stripe & Square all required sensitive details such as a cell phone number and social security number from a board member. Continuing on, we found some alternatives but they require ongoing subscription fees, which we are unable to accommodate at this time. Therefore, we will continue to accept payments via cash and check for the time being. While we are not implementing an online payment system at this time, we are open to revisiting this option in the future as our circumstances evolve.

Spring is a season of fresh beginnings and new opportunities. It's an ideal moment to reflect on our progress, celebrate our achievements, and set our sights on the future with renewed energy. Just as the flowers bloom and the days grow longer, we too can foster growth and innovation within our community. Look forward to seeing you all at our board meeting in May!

Recent Accomplishments

- Worked with Marilyn Boyce from the previous board to learn how to Mail Merge and send out annual invoices
- Researched new insurance company to save our HOA \$1500+
- Submitted financial information to HOA accountant to get taxes done
- Completed a survey of our homeowners that we plan to continue annually

Next Goals...

- Procure a dumpster for after the garage sale
- Yard of the Month will resume in April
- Permanent mailbox address & installation will be completed in April
- Continue positive neighborhood morale and open communication with HOA board members
- Gather nominations for the Spring board ballot
- Prepare for annual meeting in May, email us if you have anything you wish to discuss!
